

SIYANCUMA MUNICIPALITY

INVITATION TO BID

BID NO: SIYA 07/2023

The Siyancuma Municipality invites prospective bidders to bid for the rehabilitation work at the Douglas: Water purification plant.

The project entails the upgrading of the existing water purification plant. The main components, among other, are as follow:

- Replace existing raw water pumps at Oranje-Vaalrivier canal
- Build and install new electrical control panel
- Construction of 140m of 300 mm diameter uPVC supply pipe
- Construction of 11,51m diameter X 3,45m high round reservoir with roof
- Construction of concrete slabs for foundations of reservoir and filters.
- Construction of 40m, 300mm uPVC waste water pipe.
- Replace existing raw water pumps at Vaal river canal
- Construction of 1750m, 300mm class 9 uPVC supply pipe.
- Build and install new electrical control panel for Vaalriver canal pumps
- Supply and install purified water pump with control panel at existing purification plant.
- Supply and install flocculent and liquid chlorine dosing pumps at existing purification plant.
- Supply, construct and commission of UPMC-3 X 1800mm filters with electrical control panel and raw water supply pumps
- General repair work to existing buildings.
